Hello! Congratulations on your engagement!  
I'm thrilled that you're considering Sonder Moments Weddings to capture your special day.

I know that wedding planning can be time-consuming, and choosing the right photographer can feel overwhelming with so much information out there and so many options available.

So how can you be sure you've found the perfect one?

I recommend approaching this just like choosing a partner – on your wedding day, you'll have your loved one by your side, as well as the photos that will become treasured memories for years to come. :)

## MEET SIRLE

---

Hello, I'm Sirle – a passionate advocate for romance and a wedding professional who loves capturing authentic love stories through photography.

For me, love is the most beautiful and fulfilling part of life, whether it's shared with a partner, a friend, family, a pet, God, or nature. There's nothing more magical than witnessing two people deeply in love, and it's the greatest honor to capture those moments in photos that will last a lifetime.

Don't worry, I won't ask you to do any Disney princess poses (unless that's what you're dreaming of!). My style? Relaxed, genuine, and heartfelt. I focus on capturing you as you truly are – natural, at ease, and filled with love.

As a female wedding photographer in a traditionally male-dominated field, I believe my sensitivity and attention to detail give me a unique advantage. Your comfort and happiness are my top priorities. I understand how important it is to work with a photographer who truly gets you – especially in those intimate moments before slipping into your wedding dress.

A female wedding photographer is like one of your closest friends, ensuring you feel completely relaxed from start to finish. I bring a special perspective – having been in front of the camera myself as a model! I know how exciting (and sometimes nerve-wracking) it can be, and I still remember the best advice I've ever received:

"Always befriend your photographer; lighting and composition can either be your best friends or your worst enemies."

This advice has stuck with me and is why I'm so passionate about lighting, composition, and photo editing. My goal is to ensure that every photo tells your unique story beautifully.

Think of me as your new friend – the person you didn't know you needed. I'm here to guide, support, and celebrate you throughout your journey. I'm not just your photographer; I'm your trusted ally, dedicated to making your day as magical and stress-free as possible. Together, we'll create memories you'll cherish forever.

## YOU HAVE QUESTIONS

---

Q: Can we speak with you before we book you?

A: Absolutely! We can organise free no commitment zoom where you can ask all the questions you have face to face. I understand that havng the right photographer is so important, not only because of the pictures but also they will be with you the whole day so you want to make sure the photograper is “your kind of person”. I want you to love your images and the whole process in general

Q: What is this consultation that’s in your package ?

A: This is either in person or zoom consultation where we get to know each other a bit better. Prior to consultation I have sent you a wedding questionnaire where I ask some questions about you and your day so that I have a better idea of you as a couple, how you communicate your love to each other, what kind of images are you hoping for etc so I can better direct you on the day and make everything as soomth and fun as possible on the day. During this consultation we will also go through your day in detail and make sure everything is in order for the main event.

Q: How many photographers will be there at our wedding?

A: All of my wedding collections come with a single photographer, but you are more than welcome to add a second shooter for an additional cost. This is recommended if you have a big wedding where there are lots of things happening and you would like more coverage.

Q: Can I have more than 10h coverage or a different package that isn’t offered on your collection?

A: Absolutely! If you didn’t see a package that covered your needs, no problem. Get in touch and I’ll design something that will fit you perfectly. There are different packages for destination weddngs where you have a 2 or 3 day wedding event planned. Get in touch and let’s have a chat and plan your ideal coverage together!

## I HAVE ANSWERS

---

Q: When and How will I receive my images?

A: You will receive a sneak peak images day after your wedding (by the evening next day) so you can share your happy news and images with the world. You will receive rest of your individually edited images up to 12 weeks after your wedding in a beautiful online gallery from where you can download them using a download pin in high res (perfect for print) or web size (perfect for online/social media). You are also welcome to share your gallery with family and friends. Download pin gives you the full control of whom can download your images.

If you would like your images on a memory stick in a beautiful hand made presentation box that can be arranged too at extra cost

Q: Can you do both Photography and Cinematic Film for our wedding?

A: Unfortunately no. I want to give my full attention and detail to either Photography or Videography to guarantee you will receive a product you love. So you would have to decide which one you would prefer me to do. I can recommend another Photographer or Videographer to work with me if you like?

Q: What area do you cover?

A: I mainly shoot around Helsinki, Espoo, Vantaa, Tampere & Turku but I am willing to travel and would actually love to shoot a wedding in Lapland!

Q: Do you photograph destination weddings?

A: Yes! I shoot destination weddings and I absolutely love them and I am more than happy to create a custom wedding collection to suit your travel needs.

Q: How do we reserve our wedding date?

A: You want to book me? Excellent! Just send me an email, text or give me a call and I will send you over a contract. Deposit of 350€ & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due one month prior to your wedding or 2 months prior if it's a destination wedding.

"I LITERALLY CAN'T THANK YOU ENOUGH FOR THE INCREDIBLE PHOTOS YOU TOOK OF OUR WEDDING - THEY ARE ABSOLUTELY AMAZING AND I JUST CAN'T STOP LOOKING AT THEM ALL! YOU MADE THE WHOLE PROCESS SO EASY AND STRESS FREE AND IT WAS LOVELY HAVING YOU THERE ON OUR BIG DAY! THANK YOU, THANK YOU, THANK YOU!"
